Dear Parents and Carers,

HOMEWORK SURVEY

We introduced homework across the school in October 2018 and we really want to know your views on this.

The school set homework to:

- Consolidate and extend the work done by pupils in school;
- Inform you about your child's schoolwork and provide you the opportunity to support this work.

We know that doing homework is a valuable life skill and develops good work habits for secondary school and future employment.

When agreeing our policy, we made a set of decisions:

1. To provide each child with a book and / or folder to keep their work in
2. To provide support within school for homework – Miss Evans has a homework club on Tuesday lunchtime
3. To provide guidelines for each age group
4. To provide parent workshops to support homework in the core subjects of maths, reading and spelling

We really hope you will complete our online survey. Click the following link, or paste it into your browser. <https://www.surveymonkey.co.uk/r/276SNGC>

We really value the feedback and would like to act upon it where possible.

Your support with homework and providing us this feedback is appreciated.

Yours faithfully,

Mr Stephenson (Headteacher)
