

## English

Our talk for writing texts:  
Nature poetry from, 'the  
lost words'.

For our non-fiction text,  
we will create fact files,  
descriptions and science  
investigations.

## Wider Curriculum

We will:

- explore, observe and research the range of wildlife on the school grounds.
- discuss how our school grounds support wildlife and whether this can be improved.

# Oak Class Curriculum Goals

Our next topic is...

## How well do we know our school grounds?

NANSTALLON SCHOOL

AD VITAM PARAMUS

## Maths

Our next topics in Maths  
will be:

- Time
- Shapes
- Mass and Capacity
- Position and Direction
- Problem solving & challenges.

## Arts

Do we really look closely  
at the things around us?  
We will be doing just this  
by drawing and sketching  
outside.

We will also be working  
together to create an art  
installation for the school  
grounds.

## Project Menu

- Build a den or go on a rock pool ramble ; spend time outdoors.
- Identify a wild-flower, tree or creature. Tell us what you found.
- Carry out a survey. e.g How many plastic items do you throw away every day?

## Community Links

- Use of outdoor areas to get to know our school grounds.

## Other

Kits needed for the term:  
- Thursday afternoons = Go Active. PE kit needed.

Please could a pair of outdoor shoes, such as trainers or wellies, be left in lockers throughout the term. As our topic is all about our school grounds, we plan on spending lots of time outdoors!

## Key Words

Flora  
Fauna  
Wild  
Wilderness  
Nature  
Native

## End Goal

We will set up an orienteering course around the school grounds for KS1 children.
