

# Oak Tree Curriculum Goals

Our next topic is...

# Disney

## English

Our talk for writing text:  
*Cinderella.*

We will use the story to inspire our own writing.

## Maths

Our next topics in Maths will be:

- Converting units
- Position & Direction
- Shape

## Wider Curriculum

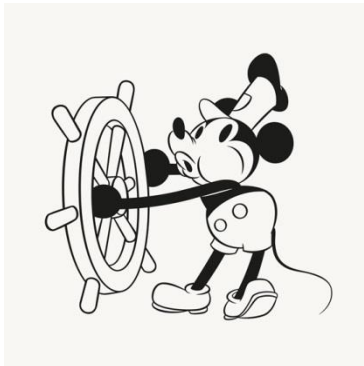

We will:

- Learn about the history of animation.
- Create our own animations using a range of techniques.
- Research Walt Disney and some of the challenges he faced.

## Arts

We will design and make our own props and characters for our animations.

For music, we will be learning how to play an instrument and sing along to some Disney classics!

## Project Menu

- Research Walt Disney and create a fact file about him.
- Learn to draw your favourite Disney character with an online tutorial.
- Help out in the kitchen to learn about units(ml,L)

## Key Words

animation  
stop motion  
props  
set  
thaumatropes  
scene

## Community Links

- End-of-topic presentation to KS1 buddies.
- Use of outdoor areas to practice and record animations.

## Other

We all have our favourite Disney/Pixar character. On our first day back, please wear a clue about who your favourite character is.

On Wednesday afternoons, children will be taking part in Music and French lessons with Mr. Stephenson.

## End Goal

We will share our finished animations with our KS1 reading buddies.
