

NANSTALLON SCHOOL

AD VITAM PARAMUS

23<sup>rd</sup> May 2019

Dear Parents and Carers,

### Term 5: News Round Up

And another really busy term draws to a close. There is much to look back on and be proud of at our wonderful school: from forest skills to pirate adventures in Falmouth and football matches to the 10 Tors Challenge.

Well done to the footballers who are developing greater team work and confidence. The children have participated in two competitive games with another planned after half term. Thank you to Mr Halpin for his dedication and commitment.

We are really grateful to our 'community heroes' who participated in the 10 Tors challenge this year – we will be able to share the total raised after half term once all the monies have been collected in. All funds raised will go towards the new outdoor area.

After half term we have a great deal planned. There will be a greater emphasis on making use of and investigating the great outdoors for learning.

This year we will hold a separate end of year awards ceremony to the Y6 Leavers Assembly. Parents of children nominated for awards will be given good notice. Both events will be very special.

A summer entertainment is also planned. This will feature performances by the guitar and ukulele group, Y4 and 5 recorder groups, performances by Cherry and Elm Tree Class and a Y6 drama.

Willow Tree class will have a new air conditioning system installed when they return after the half term. Work at the back of school on the new Early Years Outdoor Area is almost complete. We are also very fortunate to have acquired a Yurt from Eden. This will be another shared outdoor learning space for both our school and the preschool.

Yours sincerely,

Ben Stephenson (Headteacher)
