AD VITAM PARAMUS

14 April 2020

Dear Parents and Carers,

### **'Virtual' Welcome Back**

I hope that the Easter Break has gone as smoothly as possible for you at home.

It has been great to see so many children enjoying the challenges before and during Easter provided by our teachers already.

It has also been fantastic to hear of the many other ways you and your children have been acclimatising to this new, temporary, normal. Please be assured that there is no 'right way' of supporting your child at this time and the biggest priority of all is making sure that they feel happy and safe.

Today marks the beginning of what would have been term 5 and teachers will have already been in contact through Seesaw and Tapestry setting up challenges that the children can keep busy with. As always, the teachers welcome your contact and will support as best they can under the current conditions. We are very lucky to have Seesaw and Tapestry in place but also know that this will never replace the unique interactivity of the classroom.

You will probably have come across various suggestions for supporting your child to make sense of the current crisis and to understand why staying at home is important. I posted some links in my last letter and I will post some of the resources that have been shared with me as attachments to this letter.

No doubt most of us have stood at windows and on doorsteps each Thursday evening to Clap for our Carers. I would like to take this opportunity to thank all those in our community working in the NHS and in other frontline roles. You are all heroes and the Nanstallon School community will be forever grateful.

Kind regards,

Mr B Stephenson  
Headteacher
