

NANSTALLON SCHOOL

AD VITAM PARAMUS

31 March 2021

Dear Parents and Carers,

End of Term – School Information

Returning to a busy and highly social school environment following the long period at home was a big step and adjustment for all. Although we have all begun to get back into the rhythms of the timetable, it is also noticeable how tired everyone is. The children have continued to delight us with their fantastic efforts in learning and exploration at school and I thank you all for your continued support. Of note was the lovely performance of singing and dancing that children in Reception, Year 1 and 2 treated the juniors to this morning.

The summer term promises to be busy and enriching here at Nanstallon. Given the last 12 months, we are particularly keen to provide the children with the following opportunities.

- After school clubs – letters to follow
- Educational visits for all classes
- School Camp for Superheroes and Mighty Dragon's Class
- Sports Week including intensive swimming for Y5 and 6 and tennis for Y3 and 4
- Bikeability Training for Year 5

We also await further news of the roadmap to recovery as to whether we will be able to hold a summer fayre and a sports morning that parents can attend. If we aren't able to invite parents, we will definitely hold these events for the children.

Swimming is only on offer to Year 5 and 6 and as an intensive programme due to the closures for the past year. We really hope that we can return to our old routine of weekly swimming in September for all junior children.

My thanks to everyone who helped raise £108 through the PTA Bags2School collection and also for £167 fundraiser for Comic Relief. I hope you all managed to buy a seed potato for the PTA's challenge and that as many of you as possible will take part in the 'Round Nanstallon Spotter'. What a great way to get outdoors with the family during the Easter break!

Reminders:

Y1 Hearing Screening is on the 17th May - should you not wish your child to be screened, please advise Miss Fraser in the office.

Please return the data collection forms ASAP to ensure we have all your latest contact details correctly stored on our school management system.

Warmest regards,
